

Hellebore 'Ashwood Garden Hybrids' Large Plants

- A full range of forms and colours will be available from January to early March 2010. Early ordering is advisable.
- We offer 3 year old container grown hellebore plants in bud or flower, usually in 3 litre pots.
- Your plants will be hand-picked by our hellebore breeder and his skilled team.
- We will do our very best to match the colours and forms as depicted, however these plants are grown from hand pollinated seed so each plant is slightly different.
- Despatch will begin in mid January until around mid-March subject to availability. Not all plants will flower at the same time so please be patient as we may have to wait a while to collect all of your order.
- When your plants are despatched they will be sent by next day courier to ensure the plants arrive in perfect condition.

During the season we may have small numbers of other 'Ashwood Garden Hybrids', species, interspecies hybrids and named cultivars, if you would like to be notified of these (by e-mail only) please tick the box.

Postage & Packaging

Please complete the postage and packaging section on page 3.

Hellebore species, interspecies hybrids and named cultivars.

- A range of species, interspecies hybrids and named cultivars will be available from January to April 2010. *This order form does not list varieties that are in short supply but enquiries are welcome.*
- Most of our species, interspecies and named cultivars are 2 to 3 years old, container grown, and usually in 1 or 3 litre pots. Pot sizes are indicated on the order form.
- 'Open Ground' indicates plants that have been grown in compost in a cold frame. They are lifted to order and will be contained in a pot.
- We occasionally have plants that are different sizes or prices from those stated, but we will always advise you of any alteration to your order.
- Despatch will begin in mid-January until around mid-March, subject to availability. Please be patient as we may have to wait a while to collect all of your order.
- When your plants are despatched they will be sent by next day courier to ensure the plants arrive in perfect condition.
